Profitable Educational Toy Manufacturer - Owner Retiring

34% ROI

Massive Growth Opportunities

Are you looking to invest in a thriving educational toy business with an established customer base in both New Zealand and Australia?

This manufacturing business has created a unique range of durable, thoughtfully designed toys to suit children aged between 2-7 years old. These toys are crafted to inspire learning through play while being resilient enough to withstand the wear and tear of everyday use.

The owner has enjoyed creating toys for nearly 30 years and is now looking to retire.

The business comes fully equipped with all design templates and step-by-step instructions for manufacturing these high-quality toys, making it an ideal turnkey opportunity. With a low cost of sales and high margins the business has provided consistent solid returns.

- Products exported and sold locally
- Low overhead and high margins
- Proven profitability
- Fully optimized production processes
- Ready for expansion into new markets - as products have multi country appeal

The business operates from a 100sqm property and is currently based in a small regional town in the North Island but can be relocated anywhere in New Zealand.

Don't miss this opportunity to acquire a thriving, easy-to-operate business with excellent expansion potential.
