Established Event Hire & Styling Business Ideal for Florists or Event Enthusiasts!

Are you ready to step into the world of event styling and hire, with a business that already has a solid foundation, a loyal client base, and an excellent reputation?

This is a unique opportunity to acquire a well-established event hire and styling business, successfully run by the current owner for over 15 years.

Now, due to retirement and a desire to spend more time with the grandkids, this flourishing business is on the market.

Business Resources

Diverse Clientele: Corporate events, school balls, weddings, private parties, and many special occasions.

Extensive Inventory: Includes arches, vases, plinths, urns, candlesticks, LED candles, sashes, backdrops, and artificial flowers. Perfect for florists looking to expand.

Work from Home: Currently Managed from home with two storage units. Flexible operations with potential for growth.

Online Presence & Tools: Highly ranked website, excellent SEO, active social media, supplier contacts, and booking software included.

Easy Transition: The owner offers a few months of support to ensure a smooth handover.

Covers Decoration Hire is now streamlined for home-based work but offers huge growth potential. Whether you're a florist or event lover, this is your chance to own a creative and profitable venture easily ramped up.
