Home & Commercial Property Service Franchise for Sale Nelson

Hire A Hubby Nelson territory for sale

Step into an established and successful business in the beautiful Nelson region! Hire A Hubby has had a strong local presence for over 14 years, and with the current owner looking to move on, this is a rare opportunity to take over exclusive regional territory rights with room to grow the operation.

Our 50 Hire A Hubby operators offer a wide range of property maintenance services from general repairs and maintenance, painting and decorating, renovations and refurbishments, to outdoor maintenance and landscaping and everything in between. Our business owners are encouraged to develop their core service based on their own skillset, meaning each franchisee has the opportunity to tailor the business to their strengths and ambitions.

With Hire A Hubby, you get the tools, resources, and support to build a successful and thriving business in the property maintenance industry, including:.

Professional & Recognisable National Branding
World-Leading, Multi-Award-Winning Support Systems
Purpose-Built Online Business Portal & Invoicing System, integrated with top-tier accounting and job management software
Ongoing support in HR, Employment, and Health & Safety
A fantastic and supportive network of like minded business owners

If youre motivated by creating a large-scale business that runs efficiently, want to help people enhance and maintain their largest asset, can provide cost-effective solutions to space and living challenges around the home or commercial space, and have the desire to create a valuable asset for yourself, you could be our next Hire A Hubby business owner.
