Import Light Industrial Equip - Own Brand

2024 *Cash Surplus \$282,000.00

Import quality machines & components and sell or lease under your own brand.

Multiple income streams; equipment sales, leasing, service & repairs, parts, accessories and consumables. Almost all B2B.

This customer-focused business imports high quality machines and components from Europe and Asia. They have a real point of difference against lower quality equipment, gained through the strength and quality of the products sourced. This equipment is built for New Zealand conditions and built to last.

This business supplies its large range of high quality, light industrial equipment to a wide variety of customers in many different industries. Their pricing is very competitive as they have cut out the middleman and sell at commercial rates.

This is a 5-day per week business which has supplied its market since 1990. It has a strong database of 1700 contacts in the CRM system and operates from high visibility premises on a very busy main road.

The vendor is supported by a very experienced and knowledgeable team who have customer service at the forefront of everything they do. Employees include a mobile service team who can service or repair any brand of equipment in the marketplace.

The vendor is retiring and will ensure a thorough hand-over to a new owner.

This will suit people with sales skills, management skills, people skills and those with a technical aptitude.

Asking Price \$850,000.00 (Includes stock & equipment)
