

Cafe with Bakery for Sale Auckland

Cafe with Bakery Production. \$153k Profit!

This is a wonderful little business that enjoys sales both through the café itself and through the sale of its main product to the wholesale market and to the retail market (Farro and New World).

This is a simple product to produce and no crazy early hours! Importantly, all staff are able to produce the product, and this gives a new owner real flexibility.

Weekly sales are \$14,000 and a working owner can look forward to a surplus of \$153,000 here in current trading.

The location is very central and there is a great team in place. Costs are well controlled. The main product has very high margins!

The brand is very well defined, and the product is well-respected. There is the very exciting opportunity to grow this business massively. and, using the brand and the systems in place, this is a highly scalable operation.
