### THE FUTURE LOOKS BRIGHT FOR THIS SOLAR BUSINESS

Price \$995,000

SDE \$496,389

This is a fantastic business model built from understanding the market and the opportunities ahead for Solar. There are no headaches of staff employment, and the overheads are low with minimal stock holdings needed.

Whether you're an electrician wanting to be your own boss, or perhaps wanting to add solar installation to your current business or looking for a business to manage and develop the sales and marketing strategy further. This is a solid business that could be adapted to suit various skill sets/backgrounds in an industry that's definitely in growth mode.

As we pivot towards a greener future, and transition away from fossil fuels to renewable energy sources, New Zealand has completely embraced the importance of this change, and the solar industry is experiencing a remarkable surge in solar energy adoption.

#### Business Highlights
