

For Sale

Location: **Wellington**
Asking: **\$250,000**
Type: **Manufacturing**

Established Business. Kapiti Coast

This is a fantastic opportunity to own a well-established engineering and fabrication business that has been in existence for 28 years.

Proline Engineering is a trusted name in the industry, specializing in aluminium, stainless steel, and mild steel products. With a diverse product line, including gates, balustrades and custom architectural solutions, the business serves a well-established, affluent client base on the Kapiti Coast.

Key Considerations

- \$590,472 - revenue in 2024
- \$129,610 - SDE in 2024
- \$16,000 - Stock
- \$58,357 - Assets

With the extension of State Highway One, there will be a further need to provide culvert, stream bridge and security fencing. The growth potential is huge!

Its time for the vendor to move on but theres never been a better time for someone to step in and steer Proline into the future.

This is a rare chance to take ownership of a respected, well-established business that is primed to succeed.
