

Servicing & Maintenance Business for Sale Northland

kakapo

MAINTENANCE, DISTRIBUTION & INSTALLATION
Northland

Maintenance, Distribution & Installation. Profit of \$290,000

On offer is a rock-solid business looking for fresh energy & new ideas to leverage the large, long-standing customer base. There is plenty of room to grow by diversifying the product offering.

The business supplies chemical, cleaning products, servicing & maintenance to the dairy farming sector. There is some technical work involved but easily learnt by a practical person, tradie or someone from a farming background. There is an experienced existing team that can perform all aspects of daily duties.

There is flexibility for an incoming owner to either take on an office-based role or get out on the tools doing installation or repair work.

The owner is happy to stay on part-time to smooth the transition. With very limited competition and a sought-after product range that is a necessary purchase for its large customer base, this business will tick a lot of boxes for your professional advisors, with three years of good profits.

Business Highlights

- Working owner profits of \$290,000+ (3 year average)
- Flexible location in Northland / work from home
- Exclusive agent for Northland territory
- International brand product rights
- Number one player in local market limited competition
- Systemised job management software in place
- 19 years of proven success
