

# Cleaning Services Business for Sale Masterton

Turn key business, 24 years successful trading, sales growth (currently trading 5.5% above last year), life style and income, minimal hours commitment.

This is a service-based business that has been in existence for 24 years and has built an impressive portfolio of clientele in Masterton, with over a 100 existing clients in place. The business has a strong local presence and high brand recall in the market. Over its operational history there is robust profitability, and the profits are retained by you as it is not part of a franchise group.

You benefit from a strong management team already in place and experienced team members. Industry experience is not a requirement as you can acquire all the essential skills under the guidance of the current owner. The current owner works around 15 hours a week.

The new owner will benefit from the following:

- A turnkey operation.
- Supervisor's and staff in place.
- On boarding with existing owner
- Return on Investment to new owner 36.9%

This is the perfect business if you want to live in great part of NZ where house prices are low, you want a good income, and the freedom of owning a business without having to start from scratch.

Price \$415,000 (incl. stock, assets, all equipment, vehicles)
