

Massage Therapy Business for Sale Te Anau

Thriving Massage Therapy Business for Sale – Turnkey Opportunity with Loyal Clientele and Growth Potential!

Our established massage therapy business offers a range of therapeutic and relaxation services, focusing on personalized client care with skilled, certified therapists. Located in central Te Anau, we have a strong, loyal client base and a reputation for quality, generating consistent monthly revenue. The wellness market is expanding as more people seek holistic health solutions, making this a prime opportunity for growth, including adding new services or retail products. The business operates efficiently with a reliable booking system, and experienced staff handle day-to-day operations, creating a smooth, turnkey experience for the new owner. This is an ideal venture for an entrepreneur or wellness professional looking to step into a ready-made, income-generating business.

Business Resources

Our massage therapy business includes experienced, licensed therapists and support staff, an easy-to-use booking and payment system, quality massage tables, therapeutic equipment, and calming decor in a well-maintained, leased space. Assistance for new owners includes transition support, client introductions, and training on existing systems, ensuring smooth operations and client continuity. This setup allows immediate operation and an easy, manageable learning curve for the new owner.
