

Construction Business for Sale Auckland

Exciting Niche Construction Opportunity!

Looking for your next opportunity within the construction industry? You've found it!

Originally established in 1989, with new divisions opened between 2000 to 2016 that cater to specific market needs, this solutions provider for civil constructions and environmental management is selling two of its key divisions to an aspiring, ambitious new owner.

Taking over this business you stand to inherit a strong and capable team, a wealth of well-maintained and specialized equipment, with a chance to relocate this business to align with your goals and lifestyle needs.

Business highlights include:

- * Niche offering catering to a gap in the market
- * Knowledgeable and passionate existing team
- * Well-maintained and specialized equipment and assets
- * Strong supplier network and loyal customer base
- * Great growth potential that you can tap into.

Ideal for a new owner operator who has experience in the construction industry, and for an individual who has a passion for finding and offering high-quality and durable solutions for their clients.

Differentiating itself from the competition by catering to specific client needs, you have the chance to step into a business and take over two of its key divisions that have exceptional untapped potential that you can look to harness to elevate this business's overall profitability and success.

With its specialized offering and equipment, capable team, strong supplier network and customer base under a reputable and well-established brand, this is an opportunity you don't want to miss.
