

For Sale

Location:	Nelson Bays
Asking:	\$60,000 plus GST
Turnover:	\$64,000
Type:	Services-Professional / Home Based

Can be home or vehicle based, minimal overheads, private investigating, repossessions, process serving, receivables management. Onsite training available if required.

We carry out the four categories of business described this involves travelling and meeting with people in the area of Nelson, Tasman, Marlborough and the West Coast and passing on documents and interviewing people to seek information and to serve documents.

Some work can be done through texting, emailing and phoning. Other work is best done face to face with the people involved.

The business includes research, such as finding out where people and other businesses are located prior, to making a face to face visit.

There is equipment included such as computers, cameras, and paper records.

Business Resources

Owner operated plus one clerical assistant. As priorly described there are computers and other equipment related to the business activity. A vehicle can be included at additional cost to the buyer.
