Coffee brand - Opportunity for ecommerce, wholesale, grocery

This is an existing coffee brand that is currently in hibernation.

The buyer will receive:

- existing website with Shopify e-commerce and subscriptions.
- coffee packaging for a wide range of products.
- social media accounts including Instagram and Facebook (total 9K followers).
- access to a contract coffee roaster for coffee supply as well as support with sales channels.
- all branding material e.g. logos, photography, artwork and strategy.

This business would suit someone with a background in sales, marketing, hospo, and/or coffee. It could be a side hustle or a fulltime gig. Training and support available to right person.

Business Resources

The buyer will receive:

- Website.
- Brand IP/assets (logos etc.).
- Packaging.
- Coffee blends.
- Initial training as required.
