NZ Lifestylers, Fencing Contractors

Established in 2002, Gavin and Shelley Kennedy have grown this business to be one of the largest fencing contractors in the Wairarapa.

Gavin started the business on his own; it grew rapidly throughout the area due to increased demand by new lifestyle block owners and those who just wanted a trusted contractor.

Now with 3 teams taking care of business, a new owner can easily step in and take over the running of the business.

The type of work they complete ranges from deer, horse, cattle, sheep yards, dog runs, horse arenas, entrance ways, driveways, wooden gates, post and rail fences to general fence maintenance work.

With over 17 years of operating in the Wairarapa, Gavin, Shelley and their dedicated team have accumulated a large database of clients and businesses, many of whom are repeat customers.

A new owner of Lifestylers can expect an expert team with continuity of work, as well as secured income from ongoing contracts.

Asking Price inclusive of stock and assets.
