Leisure Industry

A cedar hot tub manufacturer and distributor sell their hot tubs online around New Zealand. Currently set up in a new factory based in Napier this business is thriving. Can't go overseas? Hot Tubs are the desired accessory to have. Cedar surrounds make these tubs a fantastic leisure 'must have' and their strategic online presence have their brand well placed..

- * Automated website
- * FY2021 revenue \$1.9m
- * Established 2009
- * Updated models
- * Experienced team of staff

The current business model allows for an order and deposit to be accepted, followed by the tub being manufactured to the option that the client has indicated. Current social media and online marketing have made their hot tub brand take off with orders being placed months in advance. A new owner will step into the business with a healthy order book.

The business could easily expand to re sellers throughout NZ. who may offer a similar product. as well a market in Australia where the current owner has already exported to in the past.

Motivated vendor has genuine reasons for selling.
