This business has the perfect location providing easy access to the Hawke's Bay Trail.

Napier has over 200 kilometers of flat bike trails that appeal to all ages and fitness levels.

This business has the perfect location providing easy access to the Hawke's Bay Trail. The business offers casual bike hire to those who are wanting to explore Hawke's Bay at their own pace.

Unlike other tourism-based businesses it does not rely on overseas tourists, though they are nice to have. Since the advent of Covid, lockdowns and border closures, Kiwis have started exploring their own country again and Hawke's Bay is certainly one of their top destinations. However it is nice to see cruise ships docking in Napier again and it is going to be a busy cruise ship season.

The bike trails take you to wineries, boutique breweries, eateries, beaches, parks and so much more. The beauty of the rentals side of the business is that they cater for all ages, sizes and even e-bikes, making for a perfect family outing.

It is time for the current owner to pass on this lovely business and allow them more time to explore other ventures.

Great business, great location, great opportunity!

PRICE REDUCED TO \$195,000
