

Healthcare Based Wholesale Business for Sale Auckland

Fully Managed Wholesaler \$900,000 Profit

This would be especially attractive to anyone in the Healthcare, Medical, Dental, Devices, Veterinary, or Supplements industries, seeking to expand their presence and broaden their portfolio. If this sounds like you, please feel free to make an enquiry and be upfront about which of these caught your interest - in the comments when completing the confidentiality agreement.

The business has operated for over 25 years and is a recognised leader in the B2B wholesale of premium durable products and consumables to both professional and retail customers.

Key Highlights:

Fully Managed with Strong Leadership A capable senior leadership team, who are minority shareholders, and engaged in the sale process, ensures a seamless transition to a new owner.

Excellent Cashflow Steady cashflow driven by consumable products and repeat purchases shows consistent earnings delivery.

Highly Recognised Proprietary Products The business has developed a renowned in-house brand that is trusted by customers, adding substantial value and market recognition, with strong potential for growth.

Strong Customer Loyalty Exceptional client relationships built on trust and specialised product offerings, leading to a loyal customer base and repeat business.

Dominant Market Position An impressive 90% market reach in its sector with further room for growth in Australia and internationally.

This opportunity offers investors a chance to step into a well-established, high-performing business with a loyal customer base, strong cashflow, and significant market reach. With the leadership teams involvement in the sale process and the businesss solid financial footing, this business has both stability and growth potential.
