

# Services Business for Sale Auckland

## Bursting At The Seams | Huge Opportunity

Ready to explode under new ownership, this established business is bursting at the seams! Founded 15 years ago, this niche business is recognised as the No 1 supplier in Franklin and North Waikato, and thrives on referrals and repeat clients alone.

At capacity, the vendors are handing over the business to a new owner to scale greater heights!

- \* Massive upside and scalability - This is literally a tiger by the tail
- \* Excellent business model with consistent cash flow
- \* "One stop shop" Manufacture, Supply and Maintenance of always in demand products
- \* Monday to Friday - weekends free
- \* Generous handover and training from vendor

The hard work has been done with years of successful trading and more demand than they can handle.

2025 is not the year to start from scratch, ideal entry level business with all the support you will need!
