Profitable Dollar Store in Busy Shopping Mall, Desirable Area - (CML 11167)

Introducing a retail business located in a busy shopping mall selling kitchenware, toys, party and craft supplies plus stationery. This well presented store is located in a desirable area in Auckland's city fringe and is well supported by the local community.

The mall in which the store is located is prominently located on a main busy road and well positioned to capture local residents, neighbours, families as well as commuters passing through.

The current owner has enjoyed running this business for the past 6 years. There is little competition around this business providing potential to grow sales further within this wonderful community and area.

There is ample parking available within the mall and surrounding streets and it is also an easy walk for many in the community. A large supermarket close by provides further foot traffic towards this business.

Become a part of this loyal and lovely community and establish yourself as one of the 'go to' businesses in this area. I can already hear the friendly chats with many of the regular customers.

Price: \$199,000 (plus stock of approximately \$100,000).
