Priced To Sell

Look no further - Located in the popular neighbourhood of the Northwest, this well-established daytime café is priced to sell!

Generous premises, seating up to 55pax, accommodating decent-sized gatherings while retaining an intimate ambience.

Thinking outside the square this café also enjoys a twist with a retail arm that continues to grow and compliment the business.

The vibe is friendly and inviting, plus their honest delicious food is made onsite. On top of the cabinet filled with plenty of irresistible treats, there's a breakfast and lunch menu for everyone.

Knowing what's best for their clients is at the heart of it and it's no surprise that many of their patrons are regular groups and loyal followers.

The scene is set and is calling for an experience operator to take over the reins.
