

# Building Transportable Tiny Homes Business for Sale Franklin

## Franklin Tiny Homes & Transportables specialises in building Small Homes, Tiny Homes & Transportables around Auckland

An excellent Tiny Home business, including an effective lead-generating website. The price of \$25000 is for both the business which has 5x 30sqm homes 5x two bedroom homes and for the website. The business would need to be relocated to another site. The owner is selling due to ill health.

This is a family-owned and operated company.

The business prides itself on excellent communication & full transparency throughout the build & delivery process
