

Plaster Character Production Business Opportunity for Sale NZ Anywhere

For Sale

Location: **New Zealand**
Asking: **\$5,000**
+GST
Turnover: **\$23,000**
Type: **New Opportunities / Manufacturing**

Start your own business from scratch, anywhere, with proven product. Current owner unable to continue.

Current business has been operating in Hawkes Bay for about 12 years. Producing plaster characters for people to paint. Very popular with children, and growing interest with adults.

Over 1000 individual moulds of varying sizes, many unique and no longer available. Business could be operated from home, and retailed at markets, or out of commercial premises.

This is an ideal opportunity to start your own business without a huge outlay, and plaster is cheap! Develop how you like, where you like, and put in as many hours as you like. Create three dimensional pictures too. To get a better idea of the range of characters See Boredom Busters or Taradale Crafts on Facebook.

The options are endless. (School holiday programmes, birthday parties, seniors crafts, etc.)

Business Resources

Sale of moulds would include drying racks and a dehydrator, essential for winter drying. Could be managed in a standard garage, but a two car garage would be better. You would need a moderate amount of level bench space.
