

# Home Staging & Styling Business for Sale Auckland

## Home Staging & Styling Business - Perfect for Creative Entrepreneurs!

Do you have a passion for transforming living spaces into stunning, marketable homes? If so, this could be your chance to own an established home staging & interior styling business!

The housing market is on the rise after a challenging few years. Recent trends indicate that as interest rates continue to drop, more buyers are entering the market. Add an oversupply of homes for sale to the landscape, and you have a highly competitive environment as each property needs to stand out from the crowd. Enter home staging, partial staging, or re-styling.

With the peak summer real estate season also approaching, now is the ideal time to invest in a business with significant growth potential.

### About the Business:

- **Provides:** Home staging, partial home staging & interior styling.
- **Boutique Operation:** This well-established business includes **12 house lots of furniture**, all managed by a dedicated owner.
- **Part-Time Flexibility:** Currently run as a part-time operation, it offers tremendous potential for growth and scalability.
- **Creative Freedom:** If you're creative and excel at building relationships, this business could be tailor-made for you.

### What You'll Gain:

- Established business and systems.
- Entering the peak trading period of an improving market.
- The ability to expand and grow your own brand.
- A rewarding and flexible lifestyle doing what you love!

The business has been well priced for a quick sale.
