Web design business, Design Maintenance and Support

Low-cost home-based business in New Zealand with proven revenue model:

- 40% from client referrals
- 30% from WordPress hosting/maintenance
- Minimal startup requirements

Key Advantages:

- Operate from home
- Full owner training provided
- Potential to quadruple current turnover
- Preferred: basic website/WordPress skills

Operational Highlights:

- Current clients pay monthly
- Stripe payment options
- Owner provides 6-month transition support
- Seeking passionate service-focused operator

Ideal for tech-savvy individuals wanting flexible, scalable online business with low entry barriers and strong growth potential.
