'NATION' an Amazing Unique Lifestyle Business

NATION is unique and cannot really be compared to anything else in the Hospitality industry.

It is a fully functional mobile venue that can transform into a covered bar on location. Within hours it goes from being a 16m semi-truck unit into something that looks like it was built there. NATION is seen at many of the major events in New Zealand and once seen it can never be unseen.

- * Seriously COOL business
- * Fun and enjoyable
- * Very profitable
- * Growth Potential

NATION offers an opportunity to travel the country and be involved in serving a buzzing community. As a business broker I have never seen anything so unique as NATION and my enthusiasm is infectious. Enquire now and find out more.
