

Luxury Glamping Equipment for Sale Wanaka Relocatable

Glamping Equipment - 19 canvas bell tents + high quality furniture + beds

I've decided to sell up all my bell tents and equipment I've been using with my pop-up glamping hotel business.

NOT SELLING SEPARATELY, MUST ALL GO AS ONE BULK LOT

All the equipment is in excellent condition and has hardly been used.

Assets:

- 19 x Sibley 500 Protech Canvas Bell Tents. (5m diameter)
- Quality teak and leather furniture. (Desks, bedside tables, coffee tables & chairs)
- Folding queen slat-bed frames
- High-quality queen and king-single foam mattresses
- Carpet for all tents
- Calf hide rugs
- Duvets, duvet covers, mattress protectors, blankets, throws, hot water bottles
- Fairy lights and lanterns
- Décor for all tents (mini globes, mirrors, compass, binoculars). Theme is 'Safari'
- Outdoor bean bags plus more!

There is enough furniture for about 50 tents, much of it unused and still in their boxes. I imported most of it so it is unique, high quality and you can't find it in NZ.

All the gear is stored in 4 shipping containers in Hawea/Wanaka.

Containers are not included in the sale price, but can be added

(Further items for sale: 3 x A-grade 20ft containers \$6,100 each plus 1 x B-grade 20ft container \$4,500 and large furniture trailer \$12,000.)

Retail value of equipment approx. \$178,000 Selling for \$120,000 + GST if any. Negotiable

My business name is Explore Life Glamping if you want to see more pictures/details.

Glamping is hugely profitable so if you own a campground or have a bit of nice land this could be the best investment you could make. Or you could buy the IP for 5% of the sale price and continue the business as is.
