Attractive Future Prospects

NAI Harcourts Grenadier are delighted to offer a well-established community-loved eatery situated in Rolleston, an easy drive south of Christchurch. The location is in an area which is growing rapidly, with new homes being built in a subdivision close by, potentially bringing more customers to the business. Some off-street parking is also offered.

The business exudes a good atmosphere and offers all-day breakfast and lunch six days a week, and dinner five days a week.

This business was accorded a Recommended category for 2024 by Restaurant Guru, and is an ideal eating place for families or groups - in fact for a wide range of people.

The premises are rented with a secure lease and a reasonable rental, and boast good chattels.

This is an exciting opportunity which has become available because our owners wish to pursue other business interests they have (in a different location, well away from the business for sale).

Take this opportunity "served on a plate" to continue and grow this exciting business - make it yours! Enquire now to avoid disappointment!
