

B2B Import & Wholesale Business for Sale Christchurch

Essential Transport Products; Trade & Nationwide Sales; Locate Anywhere

This business generates \$750k + GST sales per annum, at excellent margins, with products sourced from both within NZ and imported. The parts supplied are appropriate to the following industries:

- Civil Construction
- Automotive Workshops
- Motor vehicle dealerships
- Machinery & Equipment Suppliers (contracting, agri; materials handling, access etc.)
- Heavy Machinery suppliers
- Equipment leasing & hire companies
- Transport/Haulage
- Cash Sales to Public
- Bus Companies & Transport Operators
- Aviation
- Waste Management
- Many More!

A customer database of over 2,000 businesses form part of the sale, with 2024FY's largest customer making up only 5% of total sales. The top 7 clients made up just 10% of sales for this period.

Business Resources

The Buyer

Whilst no particular technical skills are required, a buyer with an interest in the automotive & transport sectors would thrive in this business. This would also be an ideal acquisition for an existing wholesaler, who wants to add in \$320k gross profit to their business. Sales are made via phone or online, with two-thirds of sales going to the North Island. This business can be operated from anywhere in the country. Storage space of approx. 50-100 meters squared will be required by the new owner
