Thriving Family-Run Fish & Chips + Chinese Takeaway. On Busy Road and Near Schools with Loyal Customer Base!

For over 18 years, we have been a thriving fish and chips plus Chinese meals takeaway in the community.

Located on a busy road, we cater to locals, students and travelers seeking authentic, quality takeout.

Our takeaways offers a diverse and popular menu. From Chinese meals, to fish and chips and burgers.

In addition to usual customers, we also supply dairys/delis with stock, such as spring rolls and onion sausages.

The business has valuable growth opportunities, including delivery services, online services, hiring additional staff and supplying other retailers with stock.

The business is able to be operated by 2 people, sometimes 3 during busy Thursdays and Fridays.

We are happy to help with training and handover of the business.

Business Resources

The business is well equipped for efficient operation.

We have 2 gas powered woks, an electric griddle station and 2 deep fryers, all ventilated.

There is a walk in refrigerator room, 2 chest freezers, and a fridge-freezer to store perishable food items.

In the customer waiting area, we have a display fridge for the drinks and a toy claw-machine.

The business also has many other valuable features and resources.
