

Companion Driving Service Franchise for Sale Waimakariri West

Lead the Way in Companion Driving Services. Own the BestDriving Miss Daisy Waimakariri West !!

We provide safe, friendly and reliable transportation and companion care service for all.

The DMD brand has established a nationwide reputation for providing a quality service including strong partnerships with national organisations. As awareness of both our brand and reputation increases, so does the demand for our service.

The North Canterbury Franchise has been operating for 13 years and due to exceptional growth, we are splitting the franchise territory. It is a turnkey business with many regular clientele and a steady stream of new bookings. Turnover is currently sitting at almost 20% on last year's turnover YTD. This trend looks set to continue, with new property developments and population growth in the Waimakariri District.

Business Resources

This is a new franchise area but comes with established business, that offers not only the satisfaction of positively impacting your community, but also:

- A large franchise territory
- Four branded vehicles, including a wheelchair accessible vehicle
- Five iPhones
- Opportunity for existing experienced staff
- Existing strong reputation for exceptional service
- Low-cost, flexible business model with home office
- Exceptional team culture and franchisor leadership
- Comprehensive training and a generous handover
- Outstanding growth opportunities
