

Essential Horticultural Service Business for Sale Bay of Plenty

Essential Horticultural Services - Bay of Plenty

This is an opportunity to purchase an outstanding horticultural services business in the Bay of Plenty.

The owners have built on a great business first established 40 years ago.

The key features of this business are:

- * Provides highly essential services to horticultural business in the Tauranga growing region
- * Consistently profitable with potential to diversify revenue
- * High barriers to entry making it difficult for a new competitor to start up
- * Long serving and skilled staff
- * Strong long-term relationships with customers and suppliers
- * The owners are happy to negotiate a suitable handover period
- * Long established business

This business would suit a hands-on owner with some experience in the primary sector, although the owners are happy to negotiate a comprehensive vendor assistance period for a less experienced owner.

Alternatively, it would be an exceptional add-on for an existing business in the same sector.

Opportunities like this rarely come on the market so if you have further questions call Peter now to learn more!
