Global Talent Agency Creative Pitch Writers / Pre-Production Advertising & Film - (CML 11158)

Location, New Zealand. This global talent agency has established a reputation for its highly skilled pitch writers, visual research/designers and AI artists with a focus in moving image pre production. Film directors and production companies require the services of this agency to win competitive pitches (primarily) in global TV advertising (90%), feature film and music video markets, securing lucrative contracts in this specialist niche.

Business Highlights

- Well established history and reputable brand
- Turnkey operation and transportable model
- Profitable & scalable business
- Experienced management team
- Systems and processes in place
- Vibrant growing market

Operating in key markets (North America, United Kingdom, Europe and Australasia), this agency has provided service 24-7-365, triangulating worldwide for global coverage for the last 10 years. With the recent hire of leading AI talent for end to end TV commercial production, this agency is now set to become one of the first global AI driven production companies.

This offering is ideally suited to a corporate and/or related industry sector business seeking a strategic or synergistic acquisition by adding to their existing brand/portfolio. Such entities might include any film production company or advertising agencies located internationally (Europe or North America) or locally (Australasia).

Price: USD \$1,200,000.00 (Equivalent to NZD \$2,040,000 at 4Dec2024)
