

Software Provider Business for Sale Auckland

Specialist Passport Software Provider - Market Leader

Well established and highly profitable business offering passport photo solutions, with a nearly guaranteed income from a subscription-based model.

Strong New Zealand presence with growing reach in Australia. Can be run from anywhere.

Preferred supplier by key pharmacy groups in New Zealand, partnering with over 500 retailers locally and serving over 30+ retail partners in Australasia. This business provides a rare opportunity to work from home, set your own hours, and enjoy a high profit margin.

Key Features & Benefits:

- Established Reputation: Nearly 20 years of industry leadership.
- Strong Financials: High profit margins (53%) with recurring revenue streams. Excellent income from home office or alike.
- Easy To Use Technology: Fast, accurate, and ICAO-compliant photo solutions. Requires only basic IT knowledge for troubleshooting.
- Low Overheads: Cloud-based infrastructure for easy, remote management. Operate from anywhere with flexible hours.
- Recurring Revenue: Reliable subscription model ensures consistent income.
- Scalable Potential: Lots more locations available to keep expanding.
- Preferred Supplier Status: Trusted by leading pharmacy groups in New Zealand.

Reason for Sale: The owners are seeking to transition out of the business to pursue other interests.

This is a rare opportunity to own a proven, flexible business!
