

For Sale

Location: **Nelson**
Asking: **\$44,300**
Type: **Hospitality-Cafes / Retail-Food Other**

Create your own food dream in these well-established Commercial Kitchen premises in Nelson CBD.

At present it is set up for a Bakery and Cafe, and we have been here almost 2 decades now and are getting ready to retire. But these premises could quite easily be the home of any food business of your choice, with central location and good foot traffic that kept us busy for all these years. The sale will include the complete set up of Chattels/Plant/and Fixtures in the Cafe, but only partly complete in the Bakery department... therefore the reduced price to sell. The list of Chattels/Plant/Fixtures including in the sale, can be obtained on request. We are also flexible as to what the new owner will require for their new business. Good leasing terms and rent in place with a very accommodating landlord.
