

Rural Mail Delivery Business for Sale Rangiora

Rural delivery rounds do not often become available, and exclusive agents Linda and Brian from NAI Harcourts are delighted to offer this rural mail delivery business in the North Canterbury area for sale.

It's a long established busy round in a growth area with ongoing potential and this opportunity will suit an owner/operator. This profitable business is being sold as a going concern and full training and support will be given.

Prospective purchasers will be required to sign a confidentiality agreement before financial details are disclosed and the potential operator/s will be required to undergo an interview and acceptance process with NZ Post.
