Unique Niche Product, Export, Patents, \$1.3m EBITDA

A REAL UNICORN - \$1.3M EBITDA NICHE MANUFACTURER & EXPORTER

Exceptional business that is equally simple and exciting. Limitless opportunity with this niche manufacturing business (assembling custom parts that are contract manufactured in NZ by third parties), renowned for its innovative high value products, incredible quality and international acclaim. With over 20 years of hard work to reach this point and selling to 25+ countries, this company is poised for its next growth phase. Wish we had more businesses like this to bring to market!

- * Retiring Owners : Current owners are ready for retirement and ready to hand over the reins
- * Financial Strength: EBITDA of \$1.3M, with huge revenue growth over three years and 73% year-on-year export sales increase.
- * Simple Business Model: Minimal staff, scalable operations, and a product built for long-term durability and ease of use.
- * Totally Relocatable
- * Global Demand: Selling across Asia and North America and beyond - despite minimal marketing activities
- * Growth Potential: Expand into untapped markets with existing innovations and capitalise on an enormous near billion-dollar market opportunity.
- * Turnkey Operation: Patented technology, established supply chains, and robust customer relationships ensure a seamless transition for new ownership.

This is a rare chance to acquire a thriving, globally recognised business with significant market potential. Would suit owner operator, syndicate of purchasers, or industry established player looking for a safe, long established business with virtually limitless upside and can be easily relocated. Truly one in a million and will withstand detailed scrutiny.

Enquire now to take advantage of this unique opportunity to step into a thriving, high-growth industry.
