Flourish Maternity offers an online business with unique NZ-designed maternity & breastfeeding clothing, strong customer base, and growth potential. Can be worked from anywhere in NZ.

Flourish Maternity is a nearly 6 year old online business based in New Zealand, specializing in stylish maternity and breastfeeding clothing, as well as mum and baby essentials. I design our own exclusive clothing range locally and have it manufactured overseas, while also sourcing additional products from trusted NZ (& a couple of Aus) suppliers. Serving customers in both New Zealand and Australia, Flourish Maternity benefits from a loyal following and strong market demand for maternity wear. The business operates through e-commerce, with excellent opportunities for growth, expanding product lines, attending markets/expos and enhancing marketing efforts. With a reputation for quality and customer satisfaction, Flourish Maternity is an opportunity for someone to create success in the growing maternity and baby industry.
