BarberShopCo - Your Local Barber

A select number of opportunities are available to become a BarberShopCo franchisee and take over fully operational stores including a trained and experienced team, established customer base and everything else you need to step in and successfully operate your own business.

Enjoy exceptional franchise support starting with a comprehensive Store Ownership Induction Course – developed by a team of experts to make it easier for you to hit the ground running. Continue to develop your own business with ongoing coaching and support including all back – office/administration taken care of for you.

NO BARBERING EXPERIENCE NECESSARY

BarberShopCo believe people from all walks of life have the ability to run their own successful BarberShopCo business. In fact, most owners can't cut hair! Franchisees have come from diverse backgrounds, including beauty, finance, high-performance sports, and retail!

FOLLOW THE PATHWAY TO FRANCHISE SUCCESS

So how about a future that offers flexibility and financial security, built through a business you can be proud of? Owning a BarberShopCo franchise is more than just a savvy business choice; it represents an opportunity to be part of an industry-leading, world-class male grooming brand.

Ingoing costs from just \$150,000. In some cases, BarberShopCo may be able to provide a low capital pathway to store ownership for select applicants.

DEVELOP YOUR OWN EMPIRE

Be part of BarberShopCo, the fastest growing men's grooming company in New Zealand, but why stop at one store? A multi-site owner can achieve increased Operating Profit on a per-store basis as there is further economy available when operating a multi-store franchise.

Enquire today and take the first steps to becoming a business owner where you'll enjoy the benefits of a business and business model which has already been set up, with operational, training and development and marketing systems built in.
