## FN Lemons. Sweet Online Business with Profits of \$60,000+

If you're a creative, fun person who loves marketing, social media and maybe has a little bit of a green thumb.. FN Lemons is your dream business which is already stocked in top retailers like Flo & Frankie and Farro!

FN Lemons elevates flavor and style with unique products like Chili Citrus Salt, Raspberry Sugar, Pineapple Coconut Glitter, and Passion Fruit Sherbet Glitter. Their dried fruits, Mulled Wine Kits, and fun accessories make every drink a little more unique.

An amazing brand and business that is on a mission to minimise their environmental footprint, they pack our garnishes in recyclable glass jars and pouches, and ship them out in eco-friendly mailers and cardboard boxes.

And what's the cherry on top you ask? The current owners pay around \$20,000 a year to rent a small storage shed, the business can be easily relocated and operate your very own home if you have the use of a double garage, which would then increase your working owner profits to \$80,000 a year, how sweet is that!?
