### Successful, Family Operated Property Maintenance Business

- Started in October 2012. Currently operated part time. Not a Franchise.
- Well-developed and established property maintenance business which includes house washing, window and gutter cleaning, gutter repairs, pressure washing, roof washing and treatments and end of new build cleans.
- Operates on excellent margins and very low-cost structure to give excellent level of return
- Auckland-wide service but majority of the customers are Hibiscus Coast, North Shore, Rodney and West and Central Auckland

### Business Resources

- Highly rated by our customers for professionalism, reliability and trust. As a result high repeat business and referrals.
- Training can be provided as part of the handover
- Sales comes with all equipment including van and trailer unit for house washing
- FY2023 Cash Surplus for owners - \$110,000+
- For additional please request our Information Memorandum and Financials via email enquiries in confidence to <mailto:unitumconsulting@outlook.com>.
