Blast-It Sand Blasting. High Powered Profits of \$173,000+

Meet Lincoln, the proud owner of Blast-It, one of the top sand blasting businesses within Auckland.

Lincoln is your typical kiwi bloke, a hands-on & practical fella who doesn't mind rolling the sleeves up and getting his hands dirty, or doing an honest day's work.

Lincoln purchased Blast-It a couple of years ago with no prior experience and has been profitable since day one, he is moving the family down to Taupo later in the year and wants to see the new owner smash it by providing a comprehensive 4-6 week training period to set them up for success.

In FY2025 Lincoln has spent just \$2.40 a day on marketing... (this is not a misprint). Blast-It has great word of mouth referrals and is just scratching the surface of its growth potential.

Business Highlights

- FY2025 working owner profits of \$173,000+ (Annualised)
- FY2024 working owner profits of \$165,000+
- Strong and stable word of mouth and referral business base
- Fully mobile business operation, no expensive lease to worry about!
- Truck, trailer and all assets you need included in the asking price
- Bolt on a painting/coating service to capture a wider customer base
- Solid weekly cash flow and consistency of work
- Lincoln is providing a 4-6 week training period and will then be available via phone/email for up to 6 months, setting the new owner up for success
