

Investment opportunity in auto parts industry

We are pleased to present an exceptional opportunity to acquire a leading provider of new and used car parts specialising in European brands.

Based in Auckland, with a rich history spanning over 45 years, the business has earned a strong reputation for reliability and quality service. Their commitment to customer satisfaction is underscored by their focus on offering Grade A complemented by an extensive selection sourced from domestic stock, curating a long-standing local and offshore customer base.

Their strong processes and longstanding business operations allow them to efficiently strip, store, and procure quality parts to fill orders from their extensive stock catalogue. Providing high-quality parts to their customers, meticulously selected by their expert dismantling team. Ample warehouse space ensures efficient storage and inventory management. This capability enables the company to maintain a robust supply chain, promptly fulfilling customer orders and minimising stockouts.

With a proven track record of profitability, long-standing client relationships, and a solid market presence, the business is exceptionally well-positioned for continued growth. Its established foundation provides significant potential for expansion in an ever-growing market. This is a rare opportunity to acquire a thriving, profitable business with a history of success.
