Japanese Style Takeaway & Restaurant, Easy To Run - (CML 11238)

Would you like to be the 'Go To' eatery in a local community? Look no further!

This easy to run business is located in a block of local shops near a busy supermarket. It is well supported by the local community and surrounding businesses with little competition.

It currently trades 5 and a half days a week. The current working owners are supported by one full time and 5 part time staff.

The interior is clean, light, fresh and contemporary with individual and bench seating and tables for approximately 32 patrons to enjoy.

Margins for this business are great with the owner advising weekly sales of approximately \$13,500. Already offering a great Japanese style menu, there is potential here to add a Sushi menu if a new owner chose to.

Great opportunity here for a new owner wishing to be part of the lovely North Shore community.
