The Only ECE in Town - Right In The Heart Of The Kaipara!

Looking for a rewarding ECE business in a growing community? This stunning childcare centre, located in the heart of the Kaipara, could be the perfect fit!

This well-established childcare centre has been carefully looked after by its current owners, with major capex improvements already made.

Business Highlights

- Solid Profit History - Consistent working owner profits averaging \$200,000+ prior to a lean FY2024
- Secure Lease - Current lease in place through to 2046
- Major Improvements Completed - A brand-new kitchen, bathrooms, and a beautiful outdoor pergola make this centre a standout
- Strong Occupancy Levels - Enrolments are back up to pre-covid levels
- Low Competition - The centre is the only private childcare centre in the town, so competition is limited.

After 7 successful years, the current owners have purchased another business and are ready to pass this one on to a new owner who can continue the great work they've done. Want to find out more?
