

## For Sale

Location: **Wellington**  
Asking: **\$500,000**  
Type: **Services-Professional / Construction**

### Long Established Surveying Firm For Sale

Located in the lower North Island this surveying firm has been providing the complete range of professional surveying services for over 30 years.

The business comes with a comprehensive history of records and long-term relationships that produce a constant flow of work.

The sale includes fully qualified surveying personnel that have a long association with the clients and their many projects.

It is not a necessity that the purchaser holds surveying qualifications.

In FY2024 the business generated an EBPITDA circa \$300,000.
