HR Recruitment

Are you looking for an effective business positioned in a market segment with proven growth prospects? One that you can grow, or that you can incorporate into your existing business? This is it!

Over the past five years the business has developed a reputation for performance in the HR recruitment sector. It has established a valuable client base with a pleasing level of repeat business.

Highly adept at navigating changing market dynamics, the business is operated from a home office and caters to a range of industry and commercial categories. Turnover dropped back as a result of the pandemic and subsequent challenging economic conditions. However, FY 2024 exceeded FY 2023 and FY 2025 looks to continue the growth trend.

Business highlights:

- * Distinctive positioning within the HR recruitment sector
- * Its services are relevant across a wide range of sectors
- * Can be operated from a home office
- * Vendor will be available for high quality transitional assistance
- * Great growth prospects with the industries it caters to anticipated to demonstrate an uptick as the economy recovers
- * Valuable database and strong transferable connections
- * An ideal opportunity for an owner-operator looking for a well-positioned business that they can grow
