Asking: **Price on Application**
Type: **Accommodation-Motels**

What a Special Opportunity!

We proudly offer a superb modern motel located in a key spot in Akaroa, a favoured holiday destination on Banks Peninsula, approximately one hour's drive from Christchurch, the largest city in the South Island of New Zealand.

This motel has 12 attractive studio units which are complemented by a stunning 2-bedroom penthouse apartment, currently utilised as the owners' residence. The motel is just a brief stroll from the shores of Akaroa Harbour, and to a supermarket, restaurant, cafes and eateries, all excellent amenities adjacent to it. The motel offers spectacular harbour and surrounding views.

This truly is a rare and special opportunity for an astute buyer to purchase a freehold going concern motel (business and property) in such a great location, which has only become available after our Vendors have decided to seek semi-retirement after over eight years of successful operation. A viewing of the motel will provide an appreciation of the quality of this offer, and interested parties are urged to proceed with some pace to avoid disappointment. Be your own landlord - and reap the benefits!

Make this truly special opportunity yours - enquire now!
