OCCUPATIONAL HEALTH & SAFETY SERVICES
Operate from home anywhere in NZ

Occupational Health & Safety Services. Profits of \$216,000+

This great business was established in 2015 with the aim of providing its clients with a simple-to-use health and safety solution and other consultancy services.

Fast forward 10 years and they have over 1,300 active clients, ranging from SME's right up to large multinational corporations... all of which provide a guaranteed monthly income, and secure earnings for years to come.

The business is well established with great systems in place making it incredibly simple to run, requiring just 15-20 flexible hours per week from home.

And the best part about it?

You can forget about what the economy is doing as you're stepping into a business that offers consistent, month-to-month revenue with income guarantees and exceptionally low future risk for non-guarantee work.

If you're looking for a simple, work-from-home business with steady and secure earnings, you're right where you need to be...

This will be the safest bet you ever place.
