Modern Fusion Cuisine in a Prime Urban Setting

West Auckland

Profit \$184,000

Seize the opportunity to enter the fast-moving food industry with this well-established profitable restaurant located in West Auckland and managed by a dedicated team.

There is significant potential for an owner-operator as the business is currently operated under management.

The restaurant offers a tantalizing fusion menu, blending flavours from around the world into a unique and unforgettable dining experience. The menu draws inspiration from New Zealand's fresh, flavourful ingredients, seamlessly combining them with the spirit of street food cuisine. This fusion results in a diverse offering that caters to every discerning palate. Location is so important, and the business benefits from being in a high-profile location with a solid stream of passing foot traffic.

A full team of skilled staff is committed to delivering top-notch service and a great customer experience. The restaurant has demonstrated resilience and has bounced back from Covid. It is now ready for a motivated new owner-operator to drive further growth in sales and profitability.

- Well established
- Prime location
- Fully staffed
- Profitable
- Ready to grow!

While the restaurant thrives under the current management, there's still untapped potential for expansion. You have the chance to unleash your creativity and introduce new offerings or explore catering and delivery options. This opportunity is ready for you now.
