

Custom Digital Printing Business for Sale Levin or anywhere

Decoart makes customized awards & prizes. Interesting niche printing business, easily relocatable, run from home or incorporated into existing printing business

Our products are customized Award sashes, Graduation Stoles, Lapel Ribbons, Club Banners and Rosettes including color logos & graphics.

Supporting events around New Zealand, rural & city, club & school sports, rural shows, educational achievement, dancing, racing & car hops etc. These are easy products to create & market.

Loyal repeat customer base, new custom from an effective website. Seasonal in nature - 70% of work flow between July - March.

Decoart could be ideal to add to a complementary sign/print business & the business name could be used to expand in any creative direction.

Decoart has existed in Levin for at least 30 years. The current owner has run it since 2020 from a rural home studio.

We are selling as we are now wanting to explore other business opportunities.

Business Resources

The business can be run by 2 people mostly part time - ideal for a couple with digital/marketing & sewing/craft skills.

Currently housed in 2 rooms about the size of a double garage. Printing uses a Roland BN20 Desktop printer cutter & 2 heat presses. There are no premises or leases. All equipment is owned outright.

Stock included: satin ribbon, fringing, rosette components, digital media & some pre sewn stocks.

We use heat presses to apply text & logos & outsource screen printing as required for larger volumes.
